

MOORE QUILTS AS HIGH SCHOOL HEAD

TEXAN, CHOSEN TO SUCCEED UT-
TER, RELEASED FROM POSITION.

ELECT 3 TEACHERS TO FILL IN RESIGNATIONS

Myrtle Hogue, Elizabeth Cook, Mar-
garet McDougal Teach Next Term
—Seek Successor for Moore.

Victor I. Moore of Arlington, Texas,
elected recently to succeed E. R. Ut-
ter as principal of the Maryville high
school for the next term, was released
at his request by the school board in
special meeting last night.

Mr. Moore, upon reflection, decided
that he would not now take up the
work in Maryville, but would accept
another place offered. He has many
friends in Maryville who will regret
that he has resigned. His election was
popular among many of the high
school students, not only because of
his high standing as a teacher, but be-
cause they felt that the athletic de-
partment was being strengthened also.

The position was offered to Mr.
Moore last year, although he was not
an applicant, but he then declined it
because he had engaged with the Ar-
lington Training school.

Several applications for the place
now in the hands of Superintendent W.
M. Westbrook will probably be consid-
ered soon in a special meeting of the
school board. All other positions in
the grade and high school faculty for
the next term were filled with the
election of three to take the positions
of three who recently resigned.

Miss Myrtle Hogue, 627 West Sec-
ond street, succeeds Miss Kathryn
Brown at \$50 a month. She taught in
the second room of the Jefferson ward
school. Miss Hogue just graduated
from the Normal last spring.

Fill Vacancies in Schools.
Miss Elizabeth Cook, Maryville, suc-
ceeds Miss Glenn Hotchkiss, who
taught in the third room of the Gar-
field school, at a salary of \$50 per
month.

Miss Margaret McDougal, daughter
of Mr. and Mrs. R. L. McDougal, Mary-
ville, succeeds Miss Ora Eckles, who
taught the A fifth grade in the Wash-
ington school building last term, at a
salary of \$50 per month. Miss Mc-
Dougal taught last term in the schools
at Filer, Idaho.

W. B. Blachley was re-appointed jan-
itor of the Franklin school by the
board last night at a salary of \$30 per
month. All other positions as jan-
itors were filled by the board last
week.

This leaves all positions in faculty
and janitorships filled, barring further
resignations, with the exception of
electing a person to fill the gap as
high school principal.

May Change "Line-Up."

While Miss Cook, Miss Hogue and
Miss McDougal were elected to suc-
ceed the three who resigned, Superin-
tendent Westbrook has the option of
placing them where they seem best fit-
ted or where need most. So that the
"line-up" in the faculty next term may
be changed somewhat all through from
what it was last term.

The initial game of the season is
planned for Sunday afternoon by the
Parnell base ball team, with Guilford
opposing on its own diamond.

ANNOUNCES FOR NEXT YEAR

Conception College Begins Thirty-
second Year September 8—Is Ac-
tive Catholic School.

The thirty-second annual catalogue
announcing next term's course of
studies and advantages and history of
the school has just been issued by
Conception college and seminary at
Conception. The next term begins
Wednesday, September 8. The last
term just closed last week.

Conception college was founded Sep-
tember 3, 1883, by the Rt. Rev. Frowin
Conrad, O. S. B., abbot of Conception
monastery, and is conducted by the
Benedictine fathers. Since November
27, 1891, it has been incorporated un-
der the laws of the state and is em-
powered to confer the usual academic
degrees.

Conception college supports an or-
chestra, a college band and one of the
best college base ball teams in this
part of the state. There are debating
societies and dramatic clubs of un-
usual merit in the college.

The college is built of brick,
trimmed with sandstone. The rooms
are commodious, heated by steam and
lighted with acetylene gas. Danger of
loss of life from fire is removed by
standpipe hose and connection in each
story fireproof stairway and fire es-
cape.

The basement of the main building
contains large rooms for indoor recre-
ation, a bath room, lavatory, shoe
room, and toilet room. The dining
room and kitchen are in a wing of the
adjacent monastery. The music rooms,
chemical and physical laboratories,
and the society hall are also in sepa-
rate buildings.

The combined grounds of the college
and monastery cover an area of 640
acres of land, a goodly portion of
which is used for recreation purposes.

The course of studies pursued at the
college is the classical course requir-
ing eight years for its completion, and
comprising the Latin, Greek, English
and German languages and their lit-
erature, the doctrines and evidences
of religion, mental and moral philoso-
phy, astronomy, physics, chemistry,
botany, geology, mathematics, rhetor-
ic, composition, elocution, history and
geography.

STOLE PAY CHECKS; TWO YEARS.

Sam Young, Negro, Burlington Junc-
tion Thief, Sentenced for Forgery.

Sam Young, a negro, was sentenced
to serve two years in the state peniten-
tiary yesterday in the criminal court at
St. Joseph, for forgery, in connection
with the theft of a number of pay
checks at Burlington Junction recent-
ly. Young pleaded guilty.

Young stole a number of pay checks
from the Burlington ticket office at
Burlington Junction, took them to St.
Joseph, indorsed on them the name
of the payees and passed them at
stores.

Answer to American Demands Prob-
ably Will Propose Exemption of
Passenger Ships from Attack.

Berlin, June 25.—There are good
prospects that the forthcoming Ger-
man note to the United States will
go a long way toward meeting the
American government's wishes re-
garding Germany's conduct of subma-
rine warfare and making passenger
traffic on the high seas safe.

While it is stated that submarine
action against hostile merchantmen
will not and cannot be abandoned en-
tirely, it is increasingly probable that
the German note will embody some
proposals to exempt ships employed
wholly or principally in passenger
traffic from submarine attacks.

Such ships, it is said, would, of
course, be subject to stoppage and
examination by submarines. In accord-
ance with the practice in vogue prior
to the present war, and to capture if
carrying contraband, but the regula-
tions of the prize law, particularly
regarding the safety of passengers
and crews, would be observed.

It is hoped here that such a solu-
tion will satisfy the requirements of
President Wilson's note. It is hoped
and expected here among those who
are working for a friendly settlement
of the situation between Germany and
the United States that the United
States would see that such passenger
ships were not used to transport am-
munition and guns nor lend them-
selves to attacks upon submarines.

Italian Official Statement.

Rome, June 25.—The official state-
ment issued at the headquarters of the
general staff of the Italian army was
as follows:

"Along the entire front there has
been an artillery duel between pieces
of medium and larger caliber. The
enemy endeavored to attack particu-
larly Montepiano, Val Grande, Val
Piccolo, Cremavere and Crestavere,
which had been occupied by our troops.

"The enemy made three desperate
attacks against our position at Freko-
fel. All these attacks were repulsed
successfully by the splendid fire of
our artillery and the use of hand gren-
ades. The enemy left 800 bodies on
the battlefield.

"In the bay of Plezzo preparations
are being made by the Austrians for
the installation of heavy artillery, and
along the neighboring heights convoys
have been seen going from Plezzo to-
ward the upper Isarco."

K. OF C. TO PICNIC.

Knights and Their Families Will Spend
July Fourth With Outdoor
Celebration.

The Knights of Columbus will hold a
basket dinner and picnic on the Fourth
of July at Normal park. Arrangements
are being made for a day of enjoyment
for the Knights and their families and
friends.

Dinner will be served at noon, and
during the afternoon there will be
music and athletic games and contests.
A number of visiting members from
other councils and out-of-town friends
are also expected to attend.

MEMBER NATIONAL COMMITTEE.

Rev. C. R. Green of Harmony Church
to Investigate Rural Church
Life in America.

The Rev. C. R. Green, pastor of Har-
mony church, has been chosen a mem-
ber of the committee on rural church
work of the federal council of the
Churches of Christ in America. Fifty-
one churches belong to this organiza-
tion, and the central offices are in New
York City. The other members of the
committee are Gifford Pinchot, chair-
man; Henry Wallace of Des Moines,
Ia., editor of the Wallace Farmer, and
Rev. W. O. Gill of Columbus, O.

The work of the committee will be
to investigate rural church and rural
community work and interests, and to
present it before the federal council
at the general meeting.

Concert Attracts Many.

Many out-of-town folk attended the
band concert on the court house lawn
last night, in addition to the large
number of Maryville residents and
Normal students.

CONCERT PLEASES CROWD

Ernest L. Cox and Miss Baker Present
Fine Program at M. E. Church
Last Night.

A large audience of appreciative per-
sons heard the voice recital given last
night at the First Methodist church by
Ernest L. Cox, choir director of the
Grand Avenue Methodist church of
Kansas City, and Miss Carrie Margaret
Baker of this city. Mrs. Edward F.
Wolfert presented one piano number
of the program, and Miss Anice Inger-
son, pianist, accompanied Mr. Cox.

Mr. Cox is an artist of unusual abil-
ity, and the general opinion of all
hearing him last night was that his
singing surpassed any ever heard in
the city. His personality, which is par-
ticularly pleasing, was an added at-
tractiveness to his work. In his voice
Mr. Cox shows melody and sweetness
of tone uncommon even with good
singers. His numbers were varied in
selection, and each was equally pleas-
ing to his hearers. Mr. Cox is a
brother to the Rev. Gilbert S. Cox of
Maryville, and has studied at the best
conservatories in the United States
and Germany. In addition to his choir
position, Mr. Cox is a member of the
faculty of the Horner Institute of Fine
Arts in Kansas City.

Miss Baker has played before Mary-
ville audiences on other occasions and
has been accorded the highest praise.
Her playing last night excelled any
previous concert work, and her part of
the program shared the high praise
given the singer. A piano duet num-
ber by Mrs. E. F. Wolfert and Miss
Baker elicited the greatest of applause.
Mrs. Wolfert is one of the most tal-
ented pianists in the city. Last night
was her first public appearance for
several years, and it was highly ap-
preciated.

The church auditorium was filled
and the balcony over half filled for the
concert.

Mr. Cox will remain in the city until
tomorrow visiting his brother and his
family.

JUNCTION BOOSTERS IN CITY

Here to Advertise "Fourth of July"
Celebration—Arranging for
"Big" Day.

A number of boosters from Burling-
ton Junction motored to Maryville this
afternoon to advertise their Fourth of
July celebration to be held there Sat-
urday, July 3.

The following were in the party:
Mr. and Mrs. Walter Mendenhall, the
Rev. Horace S. Weaver, Mrs. Margaret
Carter, L. G. Yapple, Harry T. Wilson,
Maurice Wolfers, Misses Mary Yapple
and Anna Helen Corken, Mr. and Mrs.
J. D. Carter, Mr. and Mrs. George Mc-
Knight, Miss Lula McKnight, Mrs. J.
F. Robertson, Miss Anna McCollum,
Mr. and Mrs. J. E. Courter, Mrs. M. L.
Sewell, Mrs. Alice Cook, Miss Ruby
Short and Mrs. R. L. Byers.

Part of them left Maryville for Pick-
ering, Hopkins and Braddyville and
the others went to Graham, Skidmore
and Quitman.

The program for the day will start
at 9 o'clock with a band concert by the
Fourth Regiment band of Maryville,
which has been secured to furnish the
music during the day. At 10 o'clock
the program will begin at the park
with the song "America," led by a large
chorus, of which the Rev. Robert Bryan
will be director.

The address of welcome will be by
the Rev. Horace S. Weaver. The read-
ing of the Declaration of Independ-
ence by Miss Alma Corken will follow.
At noon everybody is invited to spread
their dinners under the trees of the
park.

The afternoon program will begin
with a band concert, and then there
will be a baby show. A solo by Mr.
Bryan will follow. The principal ad-
dress of the day will be made by Mer-
rill E. Otis of St. Joseph.

A ball game will be played between
Burlington Junction and Hopkins at
3:30, and after the game there will be
athletic contests. The night program
will consist of band concert, several
free attractions and a carnival.

RALLY SAVED SHUT-OUT

Iowans Held Boosters to Goose Eggs
Until Eighth, When 3 Scored Suc-
cessively—Came Too Late.

The largest and most enthusiastic
crowd of the season witnessed the base
ball game at the Normal yesterday af-
ternoon, in which the Shenandoah Red
Sox defeated the Maryville Boosters by
a 4 to 3 score. Incidentally, it might
be said the game yesterday offered the
local fans the best chance yet to de-
termine which of the two Maryville
base ball teams is the stronger.

The results of the game, taking all
into consideration, appears to put the
two teams on just about an equal foot-
ing. The fact that the Shenandoah
team changed pitchers in the
two games here, however, left some
doubt as to which local team had to go
against the better pitcher.

It will be recalled that Shenandoah
and the Maryville Federals tied up in
a 3 to 3 score here last Sunday after
Shenandoah had led all through until
a ninth inning rally by the locals. That
time Nesmith pitched for Shenandoah,
while yesterday Henry McKee pitched
against the Boosters.

Pitchers About Equal.

Manager McKee, a brother, says that
McKee is considered slightly the better
pitcher of the two, but that neither has
lost a game, and each has pitched one
shut-out contest this season. Nesmith
seemed to have trickier curves, but Mc-
Kee excels in speed.

The hitting of the Boosters yester-
day was in excess of that done by the
Federals last Sunday, despite the fact
that the Boosters, lost while the Fed-
erals tied with Shenandoah. The Boost-
ers got five hits off McKee, while the
Federals got but four off Nesmith.

The game yesterday looked like an-
other shut-out to the credit of the
Iowans until the eighth inning, when
Maryville got in all three scores in a
miraculous rally just as the Federals
showed against Shenandoah last Sun-
day. Shenandoah got two scores in
the third inning and two more in the
eighth.

Misgauged Costs Game.

But for a misgauging of Steiner's
medium high fly in the outer field in
the eighth Maryville would probably
have won 3 to 2.

Hagey, Finch and Wakeman got
Maryville's scores. It was the only
time of the game when the audience
showed much enthusiasm, but in that
one inning, and even in the ninth, the
fans showed up fine and rooted for the
home team with all the vim one could
expect.

Hagey, first scorer, got on with a
single to the left field, stole second,
took third on a wild throw by McKee,
pitcher, and went home on a single by
Wakeman.

Finch, batting for Wray, took the
initial sack when hit by pitcher, went
a base on the wild throw by McKee,
stole third and came home, to a wild
outburst of cheers, on a bonehead field-
er's choice.

Wakeman, last scorer, got a single
in right field, stole second, took third
on a fielder's choice, and came home
after Miller, Shenandoah right fielder,
caught a sacrifice fly by Keeler.

100 CHILDREN IN PROGRAM

Colonial Play Will Be Given at Chris-
tian Church Tonight Under Aus-
pices of Ladies' Aid.

One hundred children will present
"A Bride of Colonial Days," which is
an exact reproduction of the marriage
and wedding reception of George
Washington and Martha Custis, at the
First Christian church tonight, under
the auspices of the Ladies' Aid society.

The entertainment is given in the
styles and colors of the period of 1759,
and shows most beautiful costumes
and stage setting. The children are
trained for their parts by Mr. and Mrs.
C. D. Brova of St. Joseph, who have
presented this same entertainment in
other towns with the greatest of suc-
cess.

The details of the affair were
gleaned from the historical records and
pictures and the ensemble was repro-
duced from the actual costumes and
colonial scenes handed down from that
day.

The following is the cast of the prin-
cipal characters which have a part in
the play:

George Washington—John Hall.
Martha Custis—Lois Gilbert.
Dr. James Craik, best man—Leroy
Henry.
Maid of Honor—Edwyna Forsyth.
Bridesmaids—Ellen Marie Wiles,
Mary Malotte, Frances Mowry and
Kathryn Chandler.
Hiram Scott, bodyguard—Edward
Dietz.
Colonel Gist—Harlan Strong.
Ushers—John Frazee and Buster
Strong.
Minister—Donald Bellows.
Mother Washington—Mary Todd.
Augustine Washington—Robert God-
sey.

Mrs. Dandridge, Martha's mother—
Harriet Miller.
Bartholomew, Martha's brother—
LaVerne Robey.
Grandmother and Grandfather Wash-
ington—George Smith and Bertha Pas-
torius.

Hanna, Martha's colored servant—
Loma Gilbert.
William, George's colored servant—
Robert Arnett.

Children of Martha Washington—
Cornelius Stilwell and Virginia Ben-
nett.

Colonel and Mrs. Bassett—Forrest
Martin and Carrie Margaret Dixon.

Mt. and Mrs. Fielding Lewis—Town-
send Godsey and Eva Margaret Frank.
Ring carriers—Mabel Grace Bor-
rusch and Calvin Allen.

Flower girl of the bride—Isabelle
Hamlin.

Lord and Lady Fairfax—Marvin
Westfall and Mary Curnutt.

To Visit Daughter.

Mrs. Katherine Woods left Wednes-
day for a visit with relatives at Red
Oak, Ia., after which she will go to
Volin, S. D., to spend several weeks
with her daughter, Mrs. B. Stewart

A COURAGEOUS ACT.

The conduct of the Atlanta, Ga., mobs lead to the conclusion reached by thousands of disinterested citizens of this country that the governor did well in commuting the death sentence pronounced upon Lee Frank to imprisonment. Thousands of people reached the conclusion individually that if Frank was guilty of the crime charged, it was not conclusively proved in the trial. The demonstrations of mob violence against the governor of the state leads one to wonder if a fair trial surrounded by such influences was possible. A mob that would attempt violence against the governor of the state because he exercised his constitutional right of extending clemency when there was a doubt, would not hesitate to visit its wrath upon a jury in case of a decision adverse to its view. Such an atmosphere is extremely unwholesome to the free exercise of justice. Governor Slaton exhibited both conscience and courage in giving this man the benefit of a well grounded doubt. Knowing the temper of the people with which he was surrounded, it would have been much easier to have hidden behind the decisions rendered by judge and jury and to have refused to interfere. This governor is entitled to the respect and admiration of the nation

because of the courage displayed in exercising a conscientious conviction under such circumstances.

HEADS FARM LOANS WORK

Senator Anderson Craig Chairman Executive Committee to Assure Gardner Bill—Call Meet Soon.

Senator Anderson Craig, who left here Tuesday for Jefferson City to attend a conference relative to circulating petition for putting the Gardner land bank bill to a vote in the election November, 1916, and also to witness the cornerstone laying for the new capitol, returned at noon today. Senator Craig was named chairman of the executive committee to supervise the work of circulating these petitions for the land bank bill.

As head of this committee, he said today he intended to call a meeting of the body either at St. Louis or Moberly within the next ten days or two weeks to arrange further details. It is Senator Craig's plan to call several meetings over the state to put the voters in better knowledge of the workings of the bill.

Senator Craig's committee consists of C. O. Raine, Richard R. Correll, O. E. Jennings, State Senator C. F. Carter, Charles L. Woods and H. G. Windsor.

The rural credits proposal is largely the work of Frederick Gardner of St. Louis, who spoke here recently. He drafted the original bill, which already is a law. Senator Craig was instrumental in getting it through the state senate, though. It cannot become operative, however, until the voters adopt a constitutional amendment making legal certain phases of the plan.

The plan, in brief, provides a state land bank, to be created under the supervision of the state bank commissioner, state officers to make up the board of governors. This bank then is to make loans on farms, not to exceed \$10,000 to any one person (and not to exceed 50 per cent of the value of the property).

The money is to be loaned by the state land bank at 6 1/2 per cent annually. That rate pays the interest, the commission to pay the operating expenses of the bank, and also amortizes or pays off the original loan.

The 6 1/2 per cent, which the farmer will be charged, is divided 3.7 per cent for interest charges, .5 per cent commission, 2.3 per cent on principal. The farm loans are to be for twenty-five years and in that time the principal will be entirely paid off.

FRECKLES

Now is the Time to Get Rid of These Ugly Spots.

There's no longer the slightest need of feeling ashamed of your freckles, as the prescription ointment—double strength—from any druggist and apply a little of it night and morning and you should soon see that even the worst freckles have begun to disappear, while the lighter ones have vanished entirely. It is seldom that more than an ounce is needed to completely clear the skin and gain a beautiful clear complexion.

Be sure to ask for the double strength ointment, as this is sold under guarantee of money back if it fails to remove freckles.

DODGE BROTHERS MOTOR CAR

The motor seems like a thing of life, abounding in vitality—trigger swift in the gliding get-away, and splendidly free from the slightest jerk, or jump, or jolt.

A reflection of this is the steadiness of the car—that freedom from trembling and vibration in the tonneau which means so much in ease and comfort.

The motor is 30-35 horsepower.
The price of the car complete is \$785 (f.o.b. Detroit)

IS MORE THAN "PIN MONEY."

Missouri's Poultry Industry Makes a Rapid and Big Growth.

The poultry industry in Missouri is growing faster than any other branch of the farm work at present, for people are beginning to realize that the revenue from poultry and eggs during the two years of dry weather has been a great help in paying the grocery and clothing bills, and in a majority of cases has also helped to increase the bank deposit.

The Missouri State Poultry Association has been able during its twenty-three years of active life to encourage the raising of better poultry and more of it by its annual state poultry show and by its influence in getting state appropriations for the experimental and educational work which is being done by the Missouri state poultry experiment station.

The membership has increased during the past few years from hundreds to thousands and now hovers around

the five thousand mark.

Missouri pure bred poultry is being shipped to all parts of this country and to numerous foreign countries, in competition with the best that is bred anywhere.

Missouri market poultry and eggs have been improved in quality and price by co-operation of members of this association and the influence they have exerted in their communities.

PICKS AT SHELL; BURNED.

Ravenwood Youth Causes Explosion of Cartridge—Powder Burns Face. William Van Houten, 10-year-old son of W. H. Van Houten, Ravenwood, was slightly burned about the face and hands yesterday when a shotgun cartridge he was picking at exploded. The boy had removed the shot, which perhaps prevented him from being seriously wounded.

TO SHOW WESTERN FILM.

Beatriz Michelena to Star in Photoplay From Bret Harte's Poems.

"The Lily of Poverty Flats," a photo dramatization of Bret Harte's poems on western frontier life, and especially in the early California mining days, will be shown at the Empire theater tonight. Beatriz Michelena will star. The story is a blend of three of Bret Harte's poems; and a dramatization of them which some years ago was successfully offered on the stage. Lily Polinsbee was the daughter of a miner who suddenly struck it rich. Joe was her poor lover, also of mining interests. Lily goes to Paris. An aristocratic admirer, with the assistance of her mother, tries to take the girl away from Joe.

But Lily remains loyal all through a long series of exciting incidents and adventures which occur in and about the mining camps. There are robberies, feuds between Mexicans, Indians and westerners, mine swindlers, interludes of brilliant Parisian life, and all the moving panorama of the romantic period of the fifties, when the gold rush was on.

TELEPHONE EXCHANGE MOVED.

Quitman Central and Lines Being Changed and Service Improved—Matters Made.

The Mutual telephone exchange station at Quitman is being moved into new quarters this week and a new inside cable laid. Various other improvements are to be made in the system at this point and the service greatly improved.

William Price, formerly with the Hanamco company at Maryville, is now superintendent at the Quitman exchange.

The number of telephones in the United States has increased fifteen fold in the last fourteen years.

Wealth of the United States is officially estimated at \$137,739,000,000, or \$1,965 for each man, woman and child in the country.

IMPROVE BURLINGTON SCHOOL.

Interior to Be Frescoed and New Furniture Installed—Pick All Teachers.

The board of directors will make several needed improvements at the school house at Burlington Junction, according to the Post. All of the ten rooms, the halls, laboratory and library will be frescoed, one of the cloak rooms will be fitted up to contain the laboratory equipment and the new addition will be screened. There will also be some new seats and desks ordered.

The faculty for next year is: Superintendent, D. V. Culp; principal, Bernice Baker; assistant principal, Louise Huff; grammar, Addie Carpenter; intermediate, Stella Hurst; second primary, Neva McDermott and Nellie Wiley; first primary, Mary Goforth.

Progress Has Its Rewards.

When the cornice to the front of the Graham building, North Main street, was being torn away today to make way for a better one, there was no thought of any reward, but the fact that the front would be improved in appearance. But there is where Providence took a turn and rewarded Dr. Marl Malotte, one of the occupants of the building, with two fat young squabs in a nest.

Dr. Malotte is now preparing to feast on young pigeon for dinner tonight.

Mrs. Fred Harvey left Wednesday night for Kansas City to spend several days visiting her parents, Mr. and Mrs. J. G. Glenn.

Regardless of the car you buy or the price you pay, nowhere can you get greater value

More enduring than chrome vanadium steel, more
wonderful than the finest workmanship, is the idea
that can dominate an industry.In this day when more Buicks are being built than
ever before it is interesting to remember that the
distinguishing characteristic of the Buick, the Valve-
in-Head Motor, has existed as an idea for twenty-five
years and been built into Buick cars for
thirteen years.From 1903 to 1907 the Buick Valve-in-
Head was a two-cylinder engine. From
1908 to 1914 four-cylinders dominated
the field and the Buick Valve-in-Head
dominated other types. The Buick
Valve-in-Head Six was first put on the
market in 1913. Fours were also con-
tinued—but the Valve-in-Head Six had
stirred the imagination of the car-buy-
ing public. The demand from the start
outpaced the production.This demand has become so overwhelm-
ing that now—for 1916—the Four gives1916
SIXES
Exclusivelyway to Sixes. Two chassis, both Sixes, with road-
ster, touring car, coupe, sedan bodies. The Six has
been made standard because in the Six the Valve-in-
Head idea has its greatest opportunity for service.
Also since the first appearance of the Buick Six
there has risen an insistent demand for smaller
Buick Sixes.The Six is a natural, logical, efficient
form for the Valve-in-Head type. Never
before has the Valve-in-Head idea had
such adequate materialization. This
year the Buick factory is arranged for
Sixes exclusively. The production will
be large. Demand necessitates a steady
stream of Buick trains leaving the fac-
tory during the season.And the Power, Economy, Dependabil-
ity and Comfort of 1916 Buick Sixes
justify this demand more than ever.
Study the specifications and you'll see
why.HORSE POWER—Built regularly in 45 and 55 horse
power. Six-Cylinder Valve-in-Head motor with two size

LET PUPIL THINK SOME.

Normal Lecturer Says Child Should
Draw Conclusions, Even If Wrong.Dr. G. D. Strayer of New York, lec-
turing this week at the Normal, laid
emphasis in his lecture yesterday af-
ternoon on the fact that children
should be encouraged to draw their
own conclusions, even though they
were wrong, for this would give them
certain initiative necessary to healthy
intellectual growth.His address was divided into three
main considerations. First, children
should be taught appreciation; second,
the child must be given the power to
interpret through the technique of lan-
guage; third, the child should be
taught to create, not to imitate. The
arts as industrial training, domestic
science, should be avenues through
which the child can find adequate and
genuine expression, he said. Children
should be encouraged to write poetry,
music, and to compose drama, out of
their own experiences. The teacher is
often in the child's way. It is the
business of the teacher to get out of
the child's way.Dr. Strayer made a plea for more
appreciation and less hypocrisy on the
part of teachers.

ARE PROUD OF SIMPSON.

Bosworth People Crown Athletic King
and Land Him to Skies.Bosworth, a city of the fourth class,
in Carroll county, has been greatly
honored because Robert Simpson, who
made such athletic records at the Nor-
mal meet here two years ago,
topped it all with his world's record
hurdle for the University of Missouri
recently. And well should it be, for
all the country, and even people across
the "big pond" are familiar with the
name now.So Simpson has been lauded to the
skies. When he arrived home from his
remarkable feat the commercial club
of Bosworth got out the band to greet
him, and five five-dollar gold pieces
were presented to him. Then the Bos-
worth Sentinel has since come out
with this fine editorial with Simpson
as the topic:All towns, regardless of size, have
heroes which citizens occasionally
place upon the pedestal of fame, but
only a few of a village's noted sons
are known outside of the townships.
But in Bob Simpson, Bosworth has
a hero who is known wherever the
people are interested in clean athletic
sports.His feats have been published in
all of the metropolitan newspapers of
America and the news of his high hur-
dle record was cabled to the European
press and got by the censors. Most
heroes of world-wide prominence are
not exactly popular in their home
town because of a nasty temper or a
weak trait in their character, and they
have not the card to draw public
favor, but Bob Simpson has everything
that is to be admired and nothing
which can be chalked up against him.
If he had never run a race or jumped
a hurdle he would still be a hero in
the hearts of his home people because
he is always a perfect gentleman."In gaining a place in the sun, of
course, we all like him that much
more. He is our hero, and as we have
a perfect right to crow while stand-
ing in his reflected glory we are doing
it and doing it right."

Deafness

Are You Deaf or Hard of Hearing?

Now is the ideal time to treat deaf-
ness. Ninety per cent of all deafness
is caused by catarrh. Dr. Edwards of
St. Louis has discovered and perfected
an operation for catarrhal deafness
which is remarkable for its many
cures. There is no cutting and it is
painless. I am now using this opera-
tion in Maryville with remarkable
success. Every patient treated by me
has been cured or greatly benefited.

MOORE QUILTS AS HIGH SCHOOL HEAD

TEXAN, CHOSEN TO SUCCEED UT-
TER, RELEASED FROM POSITION.

ELECT 3 TEACHERS TO FILL IN RESIGNATIONS

Myrtle Hogue, Elizabeth Cook, Mar-
garet McDougal Teach Next Term
—Seek Successor for Moore.

Victor L. Moore of Arlington, Texas,
elected recently to succeed E. R. Ut-
ter as principal of the Maryville high
school for the next term, was released
at his request by the school board in
special meeting last night.

Mr. Moore, upon reflection, decided
that he would not now take up the
work in Maryville, but would accept
another place offered. He has many
friends in Maryville who will regret
that he has resigned. His election was
popular among many of the high
school students, not only because of
his high standing as a teacher, but be-
cause they felt that the athletic de-
partment was being strengthened also.

The position was offered to Mr.
Moore last year, although he was not
an applicant, but he then declined it
because he had engaged with the Ar-
lington Training school.

Several applications for the place
now in the hands of Superintendent W.
M. Westbrook will probably be consid-
ered soon in a special meeting of the
school board. All other positions in
the grade and high school faculty for
the next term were filled with the
election of three to take the positions
of three who recently resigned.

Miss Myrtle Hogue, 627 West Sec-
ond street, succeeds Miss Kathryn
Brown at \$50 a month. She taught in
the second room of the Jefferson ward
school. Miss Hogue just graduated
from the Normal last spring.

Fill Vacancies in Schools.
Miss Elizabeth Cook, Maryville, suc-
ceeds Miss Glenn Hotchkiss, who
taught in the third room of the Gar-
field school, at a salary of \$50 per
month.

Miss Margaret McDougal, daughter
of Mr. and Mrs. R. L. McDougal, Mary-
ville, succeeds Miss Ora Eckles, who
taught the A fifth grade in the Wash-
ington school building last term, at a
salary of \$50 per month. Miss Mc-
Dougal taught last term in the schools
at Piler, Idaho.

W. B. Blachley was re-appointed jan-
itor of the Franklin school by the
board last night at a salary of \$30 per
month. All other positions as jan-
itors were filled by the board last
week.

This leaves all positions in faculty
and janitorships filled, barring further
resignations, with the exception of
electing a person to fill the gap as
high school principal.

May Change "Line-Up."

While Miss Cook, Miss Hogue and
Miss McDougal were elected to suc-
ceed the three who resigned, Superin-
tendent Westbrook has the option of
placing them where they seem best fit-
ted or where need most. So that the
"line-up" in the faculty next term may
be changed somewhat all through from
what it was last term.

The initial game of the season is
planned for Sunday afternoon by the
Parnell base ball team, with Guilford
opposing on its own diamond.

ANNOUNCES FOR NEXT YEAR

Conception College Begins Thirty-Sec-
ond Year September 8—Is Ac-
tive Catholic School.

The thirty-second annual catalogue
announcing next term's course of
studies and advantages and history of
the school has just been issued by
Conception college and seminary at
Conception. The next term begins
Wednesday, September 8. The last
term just closed last week.

Conception college was founded Sep-
tember 3, 1883, by the Rt. Rev. Frowin
Conrad, O. S. B., abbot of Conception
monastery, and is conducted by the
Benedictine fathers. Since November
27, 1891, it has been incorporated un-
der the laws of the state and is em-
powered to confer the usual academic
degrees.

Conception college supports an or-
chestra, a college band and one of the
best college base ball teams in this
part of the state. There are debating
societies and dramatic clubs of un-
usual merit in the college.

The college is built of brick,
trimmed with sandstone. The rooms
are commodious, heated by steam and
lighted with acetylene gas. Danger of
loss of life from fire is removed by
standpipe hose and connection in each
story fireproof stairway and fire es-
cape.

The basement of the main building
contains large rooms for indoor recre-
ation, a bath room, lavatory, shoe
room, and toilet room. The dining
room and kitchen are in a wing of the
adjacent monastery. The music rooms,
chemical and physical laboratories,
and the society hall are also in sepa-
rate buildings.

The combined grounds of the college
and monastery cover an area of 640
acres of land, a goodly portion of
which is used for recreation purposes.

The course of studies pursued at the
college is the classical course requir-
ing eight years for its completion, and
comprising the Latin, Greek, English
and German languages and their lit-
erature, the doctrines and evidences
of religion, mental and moral philoso-
phy, astronomy, physics, chemistry,
botany, geology, mathematics, rhetor-
ic, composition, elocution, history and
geography.

MAY GRANT INSPECTION

Answer to American Demands Prob-
ably Will Propose Exemption of
Passenger Ships from Attack.

Berlin, June 25.—There are good
prospects that the forthcoming Ger-
man note to the United States will
go a long way toward meeting the
American government's wishes re-
garding Germany's conduct of subma-
rine warfare and making passenger
traffic on the high seas safe.

While it is stated that submarine
action against hostile merchantmen
will not and cannot be abandoned en-
tirely, it is increasingly probable that
the German note will embody some
proposals to exempt ships employed
wholly or principally in passenger
traffic from submarine attacks.

Such ships, it is said, would, of
course, be subject to stoppage and
examination by submarines. In accord-
ance with the practice in vogue prior
to the present war, and to capture if
carrying contraband, but the regula-
tions of the prize law, particularly
regarding the safety of passengers
and crews, would be observed.

It is hoped here that such a solu-
tion will satisfy the requirements of
President Wilson's note. It is hoped
and expected here among those who
are working for a friendly settlement
of the situation between Germany and
the United States that the United
States would see that such passenger
ships were not used to transport ar-
mament and guns nor lend them-
selves to attacks upon submarines.

Italian Official Statement.

Rome, June 25.—The official state-
ment issued at the headquarters of the
general staff of the Italian army was
as follows:

"Along the entire front there has
been an artillery duel between pieces
of medium and larger caliber. The
enemy endeavored to attack particu-
larly Montepiano, Val Grande, Val
Piccolo, Cremavere and Crestavere,
which had been occupied by our troops.

"The enemy made three desperate
attacks against our position at Preko-
fel. All these attacks were repulsed
successfully by the splendid fire of
our artillery and the use of hand gre-
nades. The enemy left 800 bodies on
the battlefield.

"In the bay of Plezzo preparations
are being made by the Austrians for
the installation of heavy artillery, and
along the neighboring heights convoys
have been seen going from Plezzo to-
ward the 'unna' 'unna'."

K. O. C. TO PICNIC.

Knights and Their Families Will Spend
July Fourth With Outdoor
Celebration.

The Knights of Columbus will hold a
basket dinner and picnic on the Fourth
of July at Normal park. Arrangements
are being made for a day of enjoyment
for the Knights and their families and
friends.

Dinner will be served at noon, and
during the afternoon there will be
music and athletic games and contests.
A number of visiting members from
other councils and out-of-town friends
are also expected to attend.

MEMBER NATIONAL COMMITTEE.

Rev. C. R. Green of Harmony Church
to Investigate Rural Church
Life in America.

The Rev. C. R. Green, pastor of Har-
mony church, has been chosen a mem-
ber of the committee on rural church
work of the federal council of the
Churches of Christ in America. Fifty-
one churches belong to this organiza-
tion, and the central offices are in New
York City. The other members of the
committee are Gifford Pinchot, chair-
man; Henry Wallace of Des Moines,
Ia., editor of the Wallace Farmer, and
Rev. W. O. Gill of Columbus, O.

The work of the committee will be
to investigate rural church and rural
community work and interests, and to
present it before the federal council
at the general meeting.

Concert Attracts Many.

Many out-of-town folk attended the
band concert on the court house lawn
last night, in addition to the large
number of Maryville residents and
Normal students.

CONCERT PLEASURES CROWD

Ernest L. Cox and Miss Baker Present
Fine Program at M. E. Church
Last Night.

A large audience of appreciative per-
sons heard the voice recital given last
night at the First Methodist church by
Ernest L. Cox, choir director of the
Grand Avenue Methodist church of
Kansas City, and Miss Carrie Margaret
Baker of this city. Mrs. Edward F.
Wolpert presented one piano number
of the program, and Miss Anne Inger-
son, pianist, accompanied Mr. Cox.

Mr. Cox is an artist of unusual abil-
ity, and the general opinion of all
hearing him last night was that his
singing surpassed any ever heard in
the city. His personality, which is par-
ticularly pleasing, was an added at-
tractiveness to his work. In his voice
Mr. Cox shows melody and sweetness
of tone uncommon even with good
singers. His numbers were varied in
selection, and each was equally pleas-
ing to his hearers. Mr. Cox is a
brother to the Rev. Gilbert S. Cox of
Maryville, and has studied at the best
conservatories in the United States
and Germany. In addition to his choir
position, Mr. Cox is a member of the
faculty of the Horner Institute of Fine
Arts in Kansas City.

Miss Baker has played before Mary-
ville audiences on other occasions and
has been accorded the highest praise.
Her playing last night excelled any
previous concert work, and her part of
the program shared the high praise
given the singer. A piano duet num-
ber by Mrs. E. F. Wolpert and Miss
Baker elicited the greatest of applause.
Mrs. Wolpert is one of the most tal-
ented pianists in the city. Last night
was her first public appearance for
several years, and it was highly appre-
ciated.

The church auditorium was filled
and the balcony over half filled for the
concert.

Mr. Cox will remain in the city until
tomorrow visiting his brother and his
family.

JUNCTION BOOSTERS IN CITY

Here to Advertise "Fourth of July"
Celebration—Arranging for
"Big" Day.

A number of boosters from Burling-
ton Junction motored to Maryville this
afternoon to advertise their Fourth of
July celebration to be held there Sat-
urday, July 3.

The following were in the party:
Mr. and Mrs. Walter Mendenhall, the
Rev. Horace S. Weaver, Mrs. Margaret
Carter, L. G. Yapple, Harry T. Wilson,
Maurice Wolfers, Misses Mary Yapple
and Anna Helen Corken, Mr. and Mrs.
J. D. Carter, Mr. and Mrs. George Mc-
Knight, Miss Lula McKnight, Mrs. J.
P. Robertson, Miss Anna McCollum,
Mr. and Mrs. J. E. Courter, Mrs. M. L.
Sewell, Mrs. Alice Cook, Miss Ruby
Short and Mrs. R. L. Byers.

Part of them left Maryville for Pick-
ering, Hopkins and Braddyville and
the others went to Graham, Skidmore
and Quitman.

The program for the day will start
at 9 o'clock with a band concert by the
Fourth Regiment band of Maryville,
which has been secured to furnish the
music during the day. At 10 o'clock
the program will begin at the park
with the song "America," led by a large
chorus, of which the Rev. Robert Bryan
will be director.

The address of welcome will be by
the Rev. Horace S. Weaver. The read-
ing of the Declaration of Independ-
ence by Miss Alma Corken will follow.
At noon everybody is invited to spread
their dinners under the trees of the
park.

The afternoon program will begin
with a band concert, and then there
will be a baby show. A solo by Mr.
Bryan will follow. The principal ad-
dress of the day will be made by Mer-
rill E. Otis of St. Joseph.

A ball game will be played between
Burlington Junction and Hopkins at
3:30, and after the game there will be
athletic contests. The night program
will consist of band concert, several
free attractions and a carnival.

RALLY SAVED SHUT-OUT

Iowans Held Boosters to Goose Eggs
Until Eighth, When 3 Scored Suc-
cessively—Came Too Late.

The largest and most enthusiastic
crowd of the season witnessed the base
ball game at the Normal yesterday af-
ternoon, in which the Shenandoah Red
Sox defeated the Maryville Boosters by
a 4 to 3 score. Incidentally, it might
be said the game yesterday offered the
local fans the best chance yet to de-
termine which of the two Maryville
base ball teams is the stronger.

The results of the game, taking all
into consideration, appears to put the
two teams on just about an equal foot-
ing. The fact that the Shenandoah
team changed pitchers in the two
games here, however, left some
doubt as to which local team had to go
against the better pitcher.

It will be recalled that Shenandoah
and the Maryville Federals tied up in
a 3 to 3 score here last Sunday after
Shenandoah had led all through until
a ninth inning rally by the locals. That
time Nesmith pitched for Shenandoah,
while yesterday Henry McKee pitched
against the Boosters.

Pitchers About Equal.

Manager McKee, a brother, says that
McKee is considered slightly the better
pitcher of the two, but that neither has
lost a game, and each has pitched one
shut-out contest this season. Nesmith
seemed to have trickier curves, but Mc-
Kee excels in speed.

The hitting of the Boosters yester-
day was in excess of that done by the
Federals last Sunday, despite the fact
that the Boosters, lost while the Fed-
erals tied with Shenandoah. The Boost-
ers got five hits off McKee, while the
Federals got but four off Nesmith.

The game yesterday looked like an-
other shut-out to the credit of the
Iowans until the eighth inning, when
Maryville got in all three scores in a
miraculous rally just as the Federals
showed against Shenandoah last Sun-
day. Shenandoah got two scores in
the third inning and two more in the
eighth.

Misgauged Costs Game.

But for a misgauging of Steiner's
medium fly in the outer field in the
eighth Maryville would probably
have won 3 to 2.

Hagey, Finch and Wakeman got
Maryville's scores. It was the only
time of the game when the audience
showed much enthusiasm, but in that
one inning, and even in the ninth, the
fans showed up fine and rooted for the
home team with all the vim one could
expect.

Hagey, first scorer, got on with a
single to the left field, stole second,
took third on a wild throw by McKee,
pitcher, and went home on a single by
Wakeman.

Finch, batting for Wray, took the
initial sack when hit by pitcher, went
a base on the wild throw by McKee,
stole third and came home, to a wild
outburst of cheers, on a bonehead field-
er's choice.

Wakeman, last scorer, got a single
in right field, stole second, took third
on a fielder's choice, and came home
after Miller, Shenandoah right fielder,
caught a sacrifice fly by Keeler.

100 CHILDREN IN PROGRAM

Colonial Play Will Be Given at Chris-
tian Church Tonight Under Aus-
pices of Ladies' Aid.

One hundred children will present
"A Bride of Colonial Days," which is
an exact reproduction of the marriage
and wedding reception of George
Washington and Martha Custis, at the
First Christian church tonight, under
the auspices of the Ladies' Aid society.

The entertainment is given in the
styles and colors of the period of 1759,
and shows most beautiful costumes
and stage setting. The children are
trained for their parts by Mr. and Mrs.
C. D. Brown of St. Joseph, who have
presented this same entertainment in
other towns with the greatest of suc-
cess.

The details of the affair were
 gleaned from the historical records and
pictures and the ensemble was repro-
duced from the actual costumes and
colonial scenes handed down from that
day.

The following is the cast of the prin-
cipal characters which have a part in
the play:

George Washington—John Hall.
Martha Custis—Lois Gilbert.
Dr. James Craik, best man—Leroy
Henry.
Maid of Honor—Edwyna Forsyth.
Bridesmaids—Ellen Marie Wiles,
Mary Malotte, Frances Mowry and
Kathryn Chandler.
Uitram Scott, bodyguard—Edward
Dietz.
Colonel Gist—Harlan Strong.
Ushers—John Frazee and Buster
Strong.
Minister—Donald Bellows.
Mother Washington—Mary Todd.
Agustine Washington—Robert God-
sey.

Mrs. Dandridge, Martha's mother—
Harriet Miller.
Bartholomew, Martha's brother—
LaVerne Robey.
Grandmother and Grandfather Wash-
ington—George Smith and Bertha Pas-
torius.
Hanna, Martha's colored servant—
Loma Gilbert.
William, George's colored servant—
Robert Arnett.
Children of Martha Washington—
Cornelius Stilwell and Virginia Ben-
nett.

Colonel and Mrs. Bassett—Forrest
Martin and Carrie Margaret Dixon.
Mr. and Mrs. Fielding Lewis—Town-
send Godsey and Eva Margaret Frank.
Ring carriers—Mabel Grace Bor-
ruch and Calvin Allen.
Flower girl of the bride—Isabelle
Hamlin.
Lord and Lady Fairfax—Marvin
Westfall and Mary Curnutt.

To Visit Daughter.

Mrs. Katherine Woods left Wednes-
day for a visit with relatives at Red
Oak, Ia., after which she will go to
Volin, S. D., to spend several weeks
with her daughter, Mrs. B. Stewart
Farrar.

FINE FOR NEGLIGENT OWNERS AFTER NOTICE

Laws of Maryville Provide Penalty for
Property Owners Who Fail to
Keep Premises Trim.

Ordinance No. 16—Section 136.
Weeds to be cut by lot owners—It
shall be unlawful for the owners of
any lot, block, or parcel of ground,
or the agent of any such owners,
to allow or permit weeds to grow,
or remain when grown, on such
lot, block or parcel of ground, but
all weeds growing on any lot, block
or parcel of ground shall be cut
off close to the ground and so kept.
The owner of any lot, block or par-
cel of ground or the agent of any
such owner who shall violate the
provisions of this section shall be
deemed guilty of a misdemeanor.

A campaign against weeds and un-
sightly overgrown plots of ground has
been started this week by the civic
committee of the City Federation of
Clubs, which is inaugurating this work
with the co-operation of the mayor and
city council. The action followed a
meeting of the executive committee of
the federation Wednesday.

The movement is the outgrowth of
the desire of the club women for a
more sightly, sanitary and healthful
town and to keep Maryville up to the
high standard of civic improvements
in other places.

To Keep Tab on Owners.

The card system of notifying care-
less lot owners will be adopted. In
cases of negligence in this matter the
owner will receive a notice from the
committee which reads as follows:

"Your attention is respectfully called
to weed ordinance No. 16, Sec. 136,
with the request that you give immedi-
ate attention to the weeds upon your
premises. CITY FEDERATION."

If the first notice meets no response
and the weeds continue to flourish,
a second notice will be given the dilatory
owner. This means business.

They Mean Business.

"We are instructed by the city coun-
cil to inform you that unless the weeds
on your premises are cut within ten
days a fine will be imposed according
to ordinance No. 16, Sec. 136.

"CITY FEDERATION."

In case the second notice is ignored,
the matter is taken up by the city offi-
cials, and the owner is subject to the
penalty imposed by the violation of
the ordinance.

The civic committee is composed of
Mrs. G. H. Colbert, chairman; Mrs. C.
C. Corwin, Mrs. Ed G. Orear, Mrs. W.
O. Garrett and Miss Jessie Parcher.

A COURAGEOUS ACT.

The conduct of the Atlanta, Ga., mobs lead to the conclusion reached by thousands of disinterested citizens of this country that the governor did well in commuting the death sentence pronounced upon Leo Frank to imprisonment. Thousands of people reached the conclusion individually that if Frank was guilty of the crime charged, it was not conclusively proved in the trial. The demonstrations of mob violence against the governor of the state leads one to wonder if a fair trial surrounded by such influences was possible. A mob that would attempt violence against the governor of the state because he exercised his constitutional right of extending clemency when there was a doubt, would not hesitate to visit its wrath upon a jury in case of a decision adverse to its view. Such an atmosphere is extremely unwholesome to the free exercise of justice. Governor Slaton exhibited both conscience and courage in giving this man the benefit of a well grounded doubt. Knowing the temper of the people with which he was surrounded, it would have been much easier to have hidden behind the decisions rendered by judge and jury and to have refused to interfere. This governor is entitled to the respect and admiration of the nation.

because of the courage displayed in exercising a conscientious conviction under such circumstances.

HOW SHOULD DOCTOR ACT?

"Professional Ethics" to Be Topic of Medical Men of County Tonight. "Professional Ethics" will be the main topic at the semi-monthly meeting of the Nodaway County Medical association in the library tonight. The subject is largely brought about through the recent ouster and later reinstatement of Dr. C. R. Woodson of St. Joseph, for having advertised in a newspaper.

Baptist Church Service for Sunday. Men's Organized Bible class and primary department at usual hour and place. Remainder of Sunday school and preaching service, morning and evening. Usual hours at the court house.

HEADS FARM LOANS WORK

Senator Anderson Craig Chairman Executive Committee to Assure Gardner Bill—Call Meet Soon.

Senator Anderson Craig, who left here Tuesday for Jefferson City to attend a conference relative to circulating petition for putting the Gardner land bank bill to a vote in the election November, 1916, and also to witness the cornerstone laying for the new capitol, returned at noon today. Senator Craig was named chairman of the executive committee to supervise the work of circulating these petitions for the land bank bill.

As head of this committee, he said today he intended to call a meeting of the body either at St. Louis or Moberly within the next ten days or two weeks to arrange further details. It is Senator Craig's plan to call several meetings over the state to put the voters in better knowledge of the workings of the bill.

Senator Craig's committee consists of C. O. Raine, Richard R. Correll, O. E. Jennings, State Senator C. F. Carter, Charles L. Woods and H. G. Windsor.

The rural credits proposal is largely the work of Frederick Gardner of St. Louis, who spoke here recently. He drafted the original bill, which already is a law. Senator Craig was instrumental in getting it through the state senate, though. It cannot become operative, however, until the voters adopt a constitutional amendment making legal certain phases of the plan.

The plan, in brief, provides a state land bank, to be created under the supervision of the state bank commissioner, state officers to make up the board of governors. This bank then is to make loans on farms, not to exceed \$10,000 to any one person, and not to exceed 50 per cent of the value of the property.

The money is to be loaned by the state land bank at 6 1/2 per cent annually. That rate pays the interest, the commission to pay the operating expenses of the bank, and also amortizes or pays off the original loan.

The 6 1/2 per cent, which the farmer will be charged, is divided 3.7 per cent for interest charges, 5 per cent commission, 2.3 per cent on principal. The farm loans are to be for twenty-five years and in that time the principal will be entirely paid off.

FRECKLES

Now is the Time to Get Rid of These Ugly Spots.

There's no longer the slightest need of feeling ashamed of your freckles, as the prescription ointment—double strength—from any druggist and apply a little of it night and morning and you should soon see that even the worst freckles have begun to disappear, while the lighter ones have vanished entirely. It is seldom that more than an ounce is needed to completely clear the skin and gain a beautiful clear complexion.

Be sure to ask for the double strength ointment, as this is sold under guarantee of money back if it fails to remove freckles.

IS MORE THAN "PIN MONEY."
Missouri's Poultry Industry Makes a Rapid and Big Growth.

The poultry industry in Missouri is growing faster than any other branch of the farm work at present, for people are beginning to realize that the revenue from poultry and eggs during the two years of dry weather has been a great help in paying the grocery and clothing bills, and in a majority of cases has also helped to increase the bank deposit.

The Missouri State Poultry Association has been able during its twenty-three years of active life to encourage the raising of better poultry and more of it by its annual state poultry show and by its influence in getting state appropriations for the experimental and educational work which is being done by the Missouri state poultry experiment station.

The membership has increased during the past few years from hundreds to thousands and now hovers around

the five thousand mark.

Missouri pure bred poultry is being shipped to all parts of this country and to numerous foreign countries, in competition with the best that is bred anywhere.

Missouri market poultry and eggs have been improved in quality and price by co-operation of members of this association and the influence they have exerted in their communities.

TO SHOW WESTERN FILM.

Beatriz Michelena to Star in Photoplay From Bret Harte's Poems. "The Lily of Poverty Plains," a photo dramatization of Bret Harte's poems on western frontier life, and especially in the early California mining days, will be shown at the Empire theater tonight. Beatriz Michelena will star. The story is a blend of three of Bret Harte's poems; and a dramatization of them which some years ago was successfully offered on the stage. Lily Polinsbee was the daughter of a miner who suddenly struck it big. Joe was her poor lover, also of mining interests. Lily goes to Paris. An aristocratic admirer, with the assistance of her mother, tries to take the girl away from Joe.

But Lily remains loyal all through a long series of exciting incidents and adventures which occur in and about the mining camps. There are robberies, feuds between Mexicans, Indians and westerners, mine swindlers, interludes of brilliant Parisian life, and all the moving panorama of the romantic period of the fifties, when the gold rush was on.

There will also be some new seats and desks ordered.

The faculty for next year is: Superintendent, D. V. Culp; principal, Bernice Baker; assistant principal, Louise Huff; grammar, Addie Carpenter; intermediate, Stella Hurst; second primary, Neva McDermott and Nellie Wiley; first primary, Mary Goforth.

Progress Has Its Rewards.

When the cornice to the front of the Graham building, North Main street, was being torn away today to make way for a better one, there was no thought of any reward, but the fact that the front would be improved in appearance. Regardless of the car you buy or the price you pay, nowhere can you get greater value

More enduring than chrome vanadium steel, more wonderful than the finest workmanship, is the idea that can dominate an industry. In this day when more Buicks are being built than ever before it is interesting to remember that the distinguishing characteristic of the Buick, the Valve-in-Head Motor, has existed as an idea for twenty-five years and been built into Buick cars for thirteen years.

From 1903 to 1907 the Buick Valve-in-Head was a two-cylinder engine. From 1908 to 1914 four-cylinders dominated the field and the Buick Valve-in-Head dominated other types. The Buick Valve-in-Head Six was first put on the market in 1913. Fours were also continued—but the Valve-in-Head Six had stirred the imagination of the car-buying public. The demand from the start outpaced the production. This demand has become so overwhelming that now—for 1916—the Four gives

HORSE POWER—Built regularly in 45 and 55 horse power, Six-Cylinder Valve-in-Head motor with two size chassis. WHEEL BASE—115 and 130 inches. REAR AXLES—Genuine full floating, with spiral bevel gear drive. REAR SPRINGS—Buick special cantilever. BODY—Full stream line exceptionally roomy for both passengers and driver. way to Sixes. Two chassis, both Sixes, with roadster, touring car, coupe, sedan bodies. The Six has been made standard because in the Six the Valve-in-Head idea has its greatest opportunity for service. Also since the first appearance of the Buick Six there has risen an insistent demand for smaller Buick Sixes.

The Six is a natural, logical, efficient form for the Valve-in-Head type. Never before has the Valve-in-Head idea had such adequate materialization. This year the Buick factory is arranged for Sixes exclusively. The production will be large. Demand necessitates a steady stream of Buick trains leaving the factory during the season.

And the Power, Economy, Dependability and Comfort of 1916 Buick Sixes justify this demand more than ever. Study the specifications and you'll see why.

LET PUPIL THINK SOME.

Normal Lecturer Says Child Should Draw Conclusions, Even if Wrong.

Dr. G. D. Strayer of New York, lecturing this week at the Normal, laid emphasis in his lecture yesterday afternoon on the fact that children should be encouraged to draw their own conclusions, even though they were wrong, for this would give them certain initiative necessary to healthy intellectual growth.

His address was divided into three main considerations. First, children should be taught appreciation; second, the child must be given the power to interpret through the technique of language; third, the child should be taught to create, not to imitate. The arts as industrial training, domestic science, should be avenues through which the child can find adequate and genuine expression, he said. Children should be encouraged to write poetry, music, and to compose drama, out of their own experiences. The teacher is often in the child's way. It is the business of the teacher to get out of the child's way.

Dr. Strayer made a plea for more appreciation and less hypocrisy on the part of teachers.

ARE PROUD OF SIMPSON.

Bosworth People Crown Athletic King and Land Him to Skies.

Bosworth, a city of the fourth class, in Carroll county, has been greatly honored because Robert Simpson, who made such athletic records at the Normal meet here two years ago, topped it all with his world's record hurdle for the University of Missouri recently. And well should it be, for all the country, and even people across the "big pond" are familiar with the name now.

So Simpson has been lauded to the skies. When he arrived home from his remarkable feat the commercial club of Bosworth got out the band to greet him, and five five-dollar gold pieces were presented to him. Then the Bosworth Sentinel has since come out with this fine editorial with Simpson as the topic:

All towns, regardless of size, have heroes which citizens occasionally place upon the pedestal of fame, but only a few of a village's noted sons are known outside of the townships. But in Bob Simpson, Bosworth has a hero who is known wherever the people are interested in clean athletic sports.

"His feats have been published in all of the metropolitan newspapers of America and the news of his high hurdle record was cabled to the European press and got by the censors. Most heroes of world-wide prominence are not exactly popular in their home town because of a nasty temper or a weak trait in their character, and they have not the card to draw public favor, but Bob Simpson has everything that is to be admired and nothing which can be chalked up against him. If he had never run a race or jumped a hurdle he would still be a hero in the hearts of his home people because he is always a perfect gentleman.

"In gaining a place in the sun, of course, we all like him that much more. He is our hero, and as we have a perfect right to crow while standing in his reflected glory we are doing it and doing it right."

Deafness

Are You Deaf or Hard of Hearing?

Now is the ideal time to treat deafness. Ninety per cent of all deafness is caused by catarrh. Dr. Edwards of St. Louis has discovered and perfected an operation for catarrhal deafness which is remarkable for its many cures. There is no cutting and it is painless. I am now using this operation in Maryville with remarkable success. Every patient treated by me has been cured or greatly benefited.
